

Luis Guerrero

**Sacramento Boys and Men of Color and
Math Teacher, C.K. McClatchy High School**

Luis Guerrero is a second-year math teacher at C.K. McClatchy High School. He holds a Bachelor of Science in Electrical Engineering, a math & physics teaching credential, and is enrolled in the College of Education Behavioral Science Gender Equity Studies Master's program at Sacramento State University. In addition to his challenging upbringing, his eight-year involvement with the Sacramento Boys and Men of Color Collaborative has inspired him to continue his educational journey by pursuing a graduate degree and studying the impacts of disparate racial outcomes in education, in particular, racialized outcomes that negatively impact the most disadvantaged youth in the city.
